

Sunday Morning Ministry Volunteers

Summer is a busy time for everyone, however, in all that busyness, we will continue to worship on Sunday mornings!. Given how difficult it is to determine people's availability over the summer months, there will not be a pre-planned schedule for Sunday Morning Ministry volunteers. Instead, there will be sign-up sheets for each Sunday in July and August at the Welcome Table.

Please sign up as you are available throughout the summer. This would be a great opportunity to "test run" a ministry that you have not done before! For more information, speak to Kathleen Young.

LATE-SUMMER SERMON SERIES

“Life Principles for Living Out the Greatest Commandment”

It began with a question. Matthew, Mark, and Luke all record that one day, as Jesus was teaching in the Temple, He was approached by a Scribe, who asked Him which commandment was the greatest. You might think his question was a simple one; however, there were over 647 written and oral laws that the people of Israel were required to keep, if they wanted to be right with God. Yet, Jesus was quick to respond; “The first is, ‘Hear, O Israel: the Lord our God, the Lord is one; you shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength.’ The second is this, ‘You shall love your neighbor as yourself.’ There is no commandment greater than these.” Jesus took all of the laws—everything that the religion of the day required—and summarized them into two: Love God and love your neighbour. Jesus doesn't tell us to love God with some of our heart, soul, mind, and strength, but with **all of** our heart, soul, mind, and strength.” These 4 words encompass our entire being—all that we are. And the great thing is, when we truly love God this way—with all our heart, all our soul, all our mind, and all our strength—and when we seek to love our neighbour as ourselves; we fulfill all the commandments—everything that God calls us to do. This is our greatest priority in life and nothing we do is more important than loving God and neighbour. This five-week series will look at key principles that can help us to live this commandment out more fully in our everyday lives.

A Message From Parish Council

Thank you for your on-going support of *Living Waters* by your tithes and offerings. However, during the summer months we still need to pay the bills, and depend on your continued giving to do so! We appreciate you remembering us as you enjoy this lovely summer. If you are going to be away, it might be easier for you to give your weekly tithe through the Pre-Authorized Giving Program (brochures are available at the Welcome Table) or by post-dated cheque. For more information about either of these options, please speak to our Treasurer, John Telgmann or the Rector.

If you are traveling this summer, we pray you go safely, and hope your vacation is restful and rejuvenating!
