## Life Groups at Living Waters

Small groups were an integral part of the Early Church's structure. The Book of Acts tells us that when the church was first established there were no buildings--people met in the temple and synagogues for their corporate gatherings on the Lord's Day and in homes throughout the week. These groups were small enough to allow individual members to minister to one another, discover and use their spiritual gifts, and be discipled in the teachings of Jesus.

**Life Groups** at *Living Waters* are small groups that provide an opportunity for connection, community, and spiritual transformation. There is a place for everyone--from the first steps of finding out more about faith to the deeper questions of life. There are no prerequisites and everyone is welcome and encouraged to join a group. Currently there are 9 Life Groups meeting at Living Waters and more will be starting in the coming months.
