FRIENDS OF KOURA

Friends of Koura, in partnership with the church, operate 2 faith-based health centres in S.E. Mali and support for theological education, for 8 new church plants, other community projects. We give thanks for the recent successful completion of a fresh water well at the village site of the 2nd health centre in partnership with Lifewater Canada. Pray for political stability and security in Mali. This week another bloodless army coup removed the interim president, prime minister and other leaders of the transitional government. Col. Goita has regained control of the once democratic country. These coups and political crises are plunging the country further into insecurity (al Qaeda and ISIS in the north) and drawing international condemnation, suspension of assistance and the imposition of targeted sanctions. Pray for the church in Mali to continue to preach the Word and witness by improving people's lives. For more information, please contact John Telgmann.
